

OSPREY CENTRAL SCHOOL NEWSLETTER

January 2019

Principal's Desk

A huge thank you to everyone for the warm send off for Mr. Voelker in December. We look forward to hearing how he's making out with the retirement activities suggested by the students. On behalf of our new Vice Principal, Brandy Grafton and myself, I would like to express how pleased we are to be working with you all at Osprey.

So far 2019 has begun with very interesting weather. From high winds and ice to blowing snow, I have been pleased to see so many students (and staff) dressed prepared for the weather. Keep it up, everyone!

In the next couple of weeks, we will be having our elective program. Thank you to Mr. Dawson, Ms. Graham, Ms. Grafton and Mrs. Heatherington for all their organizational skills and all staff who have helped make these events possible.

The staff at Osprey are looking forward to the 2019 school year, and we appreciate your continued support in making Osprey a learning environment where all students can succeed.

Inclement Weather

During inclement weather, it is important to listen monitor for bus cancellations. The information is posted first on the board website:

<https://www.mybrucegreyschoolbus.ca/Cancellations.aspx>

You can set yourself up to get notifications via Facebook or Twitter on this site. Radio stations also communicate cancellations and post to their web-sites.

Once you hear buses are cancelled, please keep checking for school closures before bringing children to school. Schools are closed if there are road closures. In the event that buses are cancelled due to adverse weather conditions and students are driven to school, they must be picked up at dismissal time.

Peanut Free School

Please remember when preparing lunches or snacks that we are a peanut free environment.

SCC – School Community Council

Osprey Parent Council will meet Thursday, January 24th at 9:30 am.

Thank You

Your contributions help to create a healthier and successful learning environment here at Osprey.

YOUNG WOMEN TRY THE TRADES NIGHT

CONSIDER TRADES

The Canadian Apprenticeship Forum estimates that only one in ten apprentices are female. Trades are for everyone! There is no reason that females should not consider a career in the skilled trades for their post-secondary pathway.

AWESOME NIGHT

Female students are invited to participate in our second annual "Try the Trades Night" which includes opportunities in automotive repair, construction, horticulture, welding, communication design and culinary arts.
