Dear Parents,

My name is Ms. Lockie and I am your child's teacher for the remainder of the school year. After spending several years teaching with TCDSB, my family and I decided to move to the Grey Highlands area. I am excited to join the Osprey Central School community and to have your child in my class. I believe that with all of us working together we can make sure that your child learns and achieves to the best of his/her ability.

I will assign homework throughout the week and your child may also bring home any unfinished school work. The purpose of this work is to develop good work habits and to practise work already covered in class. I also encourage the students to read each night as making reading an enjoyable experience is very important. I would greatly appreciate it if you could discuss the importance of good work habits with your child.

Throughout the year I will continually emphasize three expectations in our classroom: be responsible, be respectful and be reliable. It is important to work together in order to meet these expectations.

To ensure ongoing communication between school and home, please sign your child's agenda daily. Also, please feel free to write a note in your child's agenda if you have any concerns or questions. You may also call the school to speak with me. I look forward to a very successful and exciting remainder of the school year.

Sincerely,

Ms. Lockie
